TELL US WHAT YOU THINK!

The school district is working on a special project to help improve the school food. We are asking parents, teachers, staff and students to work with us. We want you to be part of our project.

Help us understand your interests and lifestyle as well as your food likes and dislikes. In this project you will answer questions and take photos. Tell us and show us what you are passionate about. Your comments and photos will help us improve the food experience for all students.

Everything you share is for internal research by a small group of SFUSD staff and a team at the design firm, IDEO. No names or photos will be shared publicly.

DUE MONDAY MAY 20TH
Every student who completes this activity (answers all 10 questions and takes all 15 photos) can have their name put into a drawing for an iPad Mini. Your parents or guardians may choose for you not to participate.

If you would like to be a part of this raffle, please include your contact information. The selected student will be notified on May 31st.

1. What is your favorite activity?

2. Who is your role model? Why is that person your role model?

3. Who or what inspires you, and why?

NAME: _____________________________________  GRADE: _____
SCHOOL: _____________________________________
PHONE NUMBER: _____    _____    _____
EMAIL ADDRESS: _____________________________________

There are 3 important parts to this project:

- Part 1: Take the form home
  Take home the Opt-In form and give it to your parents or guardians. Bring it back to school signed, only if they DO NOT want you to participate.

- Part 2: Complete the questions
  Please complete the following questions. You may write your answers on paper or type them in online using this link: http://bit.ly/15CGkaC

  1. What is your favorite activity?

  2. Who is your role model? Why is that person your role model?

  3. Who or what inspires you, and why?
4. Finish this sentence, “When it comes to being a teenager these days, adults just don’t get ________.”

5. What is something you are proud of, and why?

6. What is a health or academic goal of yours, and why?

7. Describe an interesting food trend you notice among your friends.

8. What do you like or dislike about the recent changes to school meals, and why?

9. What advice would you give to a new student when it comes to school food?

10. If you were in charge of school meals, what’s one positive thing would you do more of? What one problem would you change?
PART 3: Take 15 photos with your camera

Take 15 photos that capture your lifestyle and the foods you eat. These photos must be taken by you (i.e., no photos from the web) — be creative! Quality counts. Please try to take photos that are in focus with good light.

You can submit photos in two ways.

1. Use your phone or digital camera
For students taking electronic photos (with camera or mobile device), please send them via email to schoollunch@sfusd.edu. Label each photo with the topic (e.g. 'My neighborhood') and include in the email your name, grade and school.

2. Use a disposable camera
Students will be provided with a disposable camera if they request one. The camera roll has 27 photos. The tracker will count down 27-26-25...and so on. The first photo you take will be photo number 27. Write that number next to the photo topic. For example, if the first photo you take is of a ‘food I was excited to eat,’ please label it as ‘27.’

After you’ve taken photos of the 15 topics, feel free to take additional photos of your favorite foods until the camera is full!

Once the activity is completed, return your spent cameras to the Site Lead. We will take care of getting the photos developed.
